

## Search for an office in MyPLAN

1. Once in MyPLAN, click on this icon at the top left portion of the screen
2. Click on My Success Network

1. Clicking on the name of the service will bring up all the people who work in that office / department and you can schedule with the individual that you want to. Clicking on Schedule on the service page will allow you to schedule with any staff member in that service who is available at a time that works for you. (Note that not all services utilize this scheduling function).

Your Services

### Career Services

Career Services works with students from all colleges and majors. From your first year at UNL to graduation and beyond, we help you make major and career decisions, gain experience and pursue your career or further education. Our staff includes career advisers, coaches and specialists ready to help. We share your hopes for success, and look forward to providing support and guidance along the way!
